

ESFRS meeting April 4 2019-04-04

Present: Cokey, Kathleen Schoen, Kelly Komm

Called to order 6:04pm by Kathleen, seconded by Kelly.

April meetings tend to be fairly quick; there were only a few items to discuss:

- Began with a discussion of adding an E-Transfer option of payment for families. Discussed pros and cons, and agreed that adding that option only for families paying in one lump makes sense. It will be a convenient option. There is no administrative person in place to check that monthly-paying families have paid, therefore adding that service for those families is currently unavailable. Unfortunately, there is no way to set automatic monthly payments for E-Transfer. Kathleen will require 2 board members to meet at the bank to arrange the E-Transfer, she will contact members to set up a day and time.
 - o Motion to add E-Transfer option for ESFRS families paying their fees in one yearly lump sum by Cokey at 6:27pm, seconded by Kelly.
- Quick look at budget and projection for end of year. Difference of about 5 students will likely create quite a change in the bottom line for the end of the year.
- Quick glance at preliminary calendar for 2018/2019. Mostly the same as last year, just a few slight shifts in when and where some performances are. It will, of course, change as the year progresses.

Nothing else to discuss; move to dismiss by Kelly at 7:11pm, seconded by Cokey.
